

Hi Jaime,

Once again, another successful internship for the ISU students is over, and it seems to have gone by so well. We are preparing for the next group for the spring semester and we're excited to meet them all.

Attached is the invoice prepared for the autumn semester, already presented to Donna and Samantha when they visited. Please let me know if you have any questions.

We wish you a Merry Christmas and all the best for 2023!

Kind regards,

Hilde Kjelstrup
